**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **22 GLOBALIST CRISES Currently Directed at America**

5/16/17 – **EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

On May 15, 2017 [www.thecommonsenseshow.com](http://www.thecommonsenseshow.com) posted an article online titled, “Current List of Globalist Crises Directed at America.” In the article they list 22 “Nation-Ending Crises” that “Globalists” have placed on America’s doorstep.

In no particular order, here is a partial list of the monumental immediate challenges faced by America:

## **Current List of Globalist Crises Directed at America**

1. *War with N. Korea*
2. *War with Syria*
3. *War with Iran*
4. *War with Russia over Syria and Iran*
5. *Involvement in African civil wars*
6. *Sending troops to the border of Russia from Ft. Carson*
7. *Allowing Russian and UN Peacekeepers on American soil*
8. *Allowing Chinese military front groups (e.g. Cinta) to man the Chinese solar energy farms populated by their disguised military.*
9. *Obama allowing Chinese to take over the Port of Long Beach, thus giving the Chinese a foothold for a land invasion of the United States at a time when America is vulnerable.*
10. *The Oroville Dam is in grave danger and threatens 2.5 million people, a collapse will wipe out the world’s largest vegetable crop and second largest rice crop in the world, thus, producing famine conditions. The dam break would shut off 25% of America’s retail shipments across the country and would lead to an economic collapse of the*

retail and food industry as we now know this “just in time” delivery of critical resources, including medicine, that we have become accustomed to.

11. All signs are that the US is preparing to open a new front, most likely under the guise of the UN, in Venezuela in order to stop their new found populism.
12. So-called PedoGate is picking up steam and forcing the establishment participants into a desperate situation where any false flag is probable in order to draw attention away from the tightening noose coming out of the Trump administration.
13. The national debt is approaching \$21 trillion dollars and remember, the US government only takes in \$2 trillion dollars per year.
14. The unfunded and mandated liabilities (Social Security, Medicare, Medicaid, etc.) now amount to a hefty \$240 trillion dollar debt.
15. We, the United States people, owe the bankers through the bail outs due to the failed credit swap derivatives debt, \$1.5 quadrillion.
16. The interest alone on the bail-outs is \$505 trillion dollars per year.
17. Jade Helm 15 practiced hauling off Americans off to concentration camps.
18. Most American combat troops and naval personnel are outside the country and would be unable to stand with the people in some created crisis as we are seeing Venezuela.
19. UWEX 16 rehearsed fighting against rogue US military units, standing with the people, who have gone guerilla.
20. We live in a country where the President is exercising control over many domestic issues but has not wrestled away control of the Deep State’s dominance over foreign policy and the Pentagon. This is the stuff that civil wars are made from.
21. The newest 800 pound gorilla in the room is the Wannacry Ransom virus which is obviously being perpetrated by the NSA/CIA in order to promote global economic instability and possible World War III.
22. Because of George Soros front groups, America has never been more divided.

<http://www.thecommonsenseshow.com/2017/05/15/globalists-have-placed-22-nation-ending-crises-on-americas-doorstep>

The [American Resistance Party](#) declares that the entire White House, Congress, and the entire court system of the last 8 years be arrested and executed for treason.

The top treasonous thug, of course, is Barack Hussein Obama. He was NOT a citizen of the United States, and could only prove his citizenship for Indonesia and Kenya. Since he could not prove citizenship in the U.S., he forged a Hawaiian Birth Certificate and successfully conned his way through 2 TERMS as an illegal alien. The idiot Marxist democrat voters allowed themselves to be fooled into voting for this bogus-Gay-Muslim.

**Execution is recommended for all elected Soros-vipers and their above list of 22!**
