**FOR IMMEDIATE RELEASE
ACTION ALERT**

AMERICAN RESISTANCE PARTY: Recall Mr. Moonbeam

6/29/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

12 months ago (2016) change.org started a “Recall Governor Jerry Brown” petition. It only got 72,000 signatures. It stated,

“My goal is to get Governor Jerry Brown out of the lives of every single Californian and out of office. His gun grabbing laws are unconstitutional and takes rights away from good people. His economic decisions are bankrupting the state and causing businesses to flee the state. His love for a high speed bullet train is a fantasy and he should have focused on a real issue like the drought. Raising the smoking age to 21 is not going to stop young adults from smoking, but will cause them commit a crime and face fines and jail time because of a vice. We need to stop him before he gets worse.”

The American Resistance Party started a recall of Mr. Moonbeam in 2012. It stated:

“Edmund G. Brown Jr.:

Pursuant to Section 11020, California Elections Code, the undersigned registered qualified voters in the State of California, hereby give notice that we are the proponents of a recall petition and that we intend to seek your recall and removal from the Governor, in the State of California, and to demand election of a successor in that office.

The grounds for the recall are as follows:

A complaint has been formerly submitted to you as the California Attorney General stating that Mr. Barry Soetoro (aka Barack Hussein Obama) is not qualified to be on the 2012 Primary ballot. He is not qualified as mandated by Article II of the US Constitution. All candidates must be natural born citizens; a person who's Father and Mother are both U. S. Citizens and who has been born on U.S. soil. Mr. Soetoro's father is a foreign national of Kenyan and no US birth certificate can be found to verify his citizenship. This makes Mr. Soetoro ineligible to hold the office of President of the United States. Complaints have been submitted to you stating that Mr. Soetoro is using bogus birth certificates, stolen social security numbers and a false Selective Service card to identify himself to the voters throughout the United States. You have failed to report these crimes to the proper Federal authorities. You have failed to acknowledge this complaint as part of your duties as the former head Law Enforcement Official in California.

You merely say "the Election Law" forces you to pass the matter on to someone else. And as current Governor you still have not reported these felonies of Barack Obama to the proper authorities. Therefore we intend to recall you.

The printed names, signatures, and residence addresses of the proponents are as follows:

A copy of this notice and proof of service will be filed with the California Secretary of State Office Elections Code section 11023.

(a) Within seven days after the filing of the notice of intention, the officer sought to be recalled may file with the elections official, or in the case of a state officer, the Secretary of State, an answer, in not more than 200 words, to the statement of the proponents.(b) If an answer is filed, the officer shall, within seven days after the filing of the notice of intention, also serve a copy of it, by personal delivery or by certified mail, on one of the proponents named in the notice of intention.(c) The answer shall be signed and shall be accompanied by the printed name and business or residence address of the officer to be recalled.

Furthermore, the [American Resistance Party of California](#) is also renewing the call to RECALL this unconstitutional usurper in the Executive Branch of California.

The California Constitution states that "NO GOVERNOR MAY SERVE MORE THAN TWO TERMS." This 1990 Proposition 140 was a TERM LIMIT on all State officers. Mr. Moonbeam has illegally continued in office without Constitutional authority.
