PAMELA GELLER: The Coming American Civil War

8/08/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

On June 23, 2017 Pamela Geller posted an article titled, “Breitbart News: The Coming Civil War.” In this article she wrote: “Ayn Rand explained why the left is seeking nothing less than the breakdown of American society:

The attempt to solve social problems by means of physical force is what a civilized society is established to prevent. The advocates of mass civil disobedience admit that their purpose is intimidation. A society that tolerates intimidation as a means of settling disputes—the physical intimidation of some men or groups by others—loses its moral right to exist as a social system, and its collapse does not take long to follow.

Politically, mass civil disobedience is appropriate only as a prelude to civil war—as the declaration of a total break with a country’s political institutions.”
