We the People of the United States petition the U.S. House of Representatives to **impeach Judge Gloria M. Navarro of the U.S. District Court for the District of Nevada for committing treason and collaborating in the insurrection** against the Constitutional authority of the federal government pursuant to Article I Section 8 Clause 15, Article 3 Section 3 and Article 2 Section 4 of the U.S. Constitution, 18 U.S.C § 2381 and 18 U.S. § Code 2383.

Whereas Judge Navarro, at the direction of the FBI, BLM, and other federal agencies, is unlawfully detaining (Amendment VIII of the Bill of Rights & 18 U.S.C. § 3142), and has been for over nine months, prominent activists within the Citizens for Constitutional Freedom political movement for exercising their First Amendment protected rights—protesting against federal government overreach [the fact it had **sold 9,000 acres of public land bordering Bundy Ranch and other people who own grazing rights to the division to a Communist Chinese** energy firm represented by Rory Reid (Harry Reid's son), EMM, for \$4.5 million, \$34.1 million less than its value, and began rounding up the Bundy's cattle and holding them in inhumane conditions ... at least 60 purportedly suffering death or missing]—and, in order to suppress C4CF 's education of the People, they have been charged by the FBI for violating 18 U.S.C. § 371 - Conspiracy to Commit an Offense Against the United States; 18 U.S.C. § 372 - Conspiracy to Impede and Injure a Federal Officer; 18 U.S.C. § 111 (a)(l) and (b) - Assault on a Federal Officer; 18 U.S.C. § 115(a)(l)(B) - Threatening a Federal Law Enforcement Officer; 18 U.S. C. § 924(c) - Use and Carry of a Firearm in Relation to a Crime of Violence; 18 U.S.C. § 1503 - Obstruction of the Due Administration of Justice; 18 U.S.C. § 1951 - Interference with Interstate Commerce by Extortion; 18 U.S.C. § 1952 - Interstate Travel in Aid of Extortion; 18 U.S.C. § 2 - Aiding and Abetting. **Among the political prisoners are Cliven, Ammon, Ryan and Mel Bundy, Peter Santilli (a journalist), Ryan Payne, Blaine Cooper, Eric Parker and Jerry DeLumus**—all of whom provide C4CF with necessary influence.

Whereas the discovery comprises substantial evidence proving the innocence of the defendants but is being concealed from the public at the order of Judge Navarro (in violation of Amendment VI of the Bill of Rights and Rule 26 of the Federal Rules of Criminal Procedure). **These prisoners have also been subjected to mistreatment by the FBI, U.S. Marshall Service and employees of the correctional facilities.**

Whereas **Judge Navarro is consciously proceeding with falsified charges filed by the FBI against C4CF and refusing to grant motions to dismiss after learning that Sheriff Douglas Gillespie and many other local, state and federal officials ordered the BLM to return the cattle to the Bundy's and withdraw from the land, and being presented with relevant laws** [Article I Section 8 Clause 17 & Article IV Section 3 Clause 2 of the U.S. Constitution, Rule 501 of the Federal Rules of Evidence and Nevada Revised Statute 568.225] were presented to her by the defense.

Whereas, after being ordered by Sheriff Gillespie to stand down, Special Agent Dan P. Love of the BLM continued to impede on the rights and jurisdiction of the People of Clark County and all People of Nevada unabated; **Committing acts of aggression that should be considered attempts to seriously injure or even kill peaceful protesters, including tazing several individuals and using blunt force (some already challenged by physical disabilities)—an apparent result of its militarization.** Sheriff Gillespie stated that "anyone who had been in policing would question their tactics."

Whereas **Judge Navarro is participating in a cover up of the suppression by the FBI (by way of COINTELPRO tactics) of the right to the free exercise of religion, freedom of speech, freedom of the press, peaceful assembly, and petition the Government for a redress of grievances.** One of the main functions of government is to enforce contracts, and in this case not only is the government failing to enforce a contract but it is also the contractor, and have abridged their obligations in addition to preventing the contractee(s) [Cliven Bundy—We the People] from discharging our duties enumerated in Article I Section 8 Clause 15 & 16 of the U.S. Constitution & 10 U.S.C § 311 and pursuant to Rule 501 of the Federal Rules of Evidence.

Whereas Judge Navarro has proven herself unfit to be an impartial Federal Judge; **Consistent to the extreme bias expressed by her assistance given to the federal government and its usurpation of power and by covering up the inhumane treatment of political activists who are being unlawfully detained for exercising their rights protected by the First Amendment to enforce the rule of law**—to establish justice, insure domestic Tranquility, secure the Blessings of Liberty to ourselves and our Posterity, guarantee a Republican Form of Government, and secure the right to life, liberty and property, as ordained by the Creator in the U.S. Constitution.
