VLADIMIR PUTIN: 'Soros Driving US Towards Civil War'

8/21/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

On August 16, 2017 a YouTube video was posted titled, "Russian President Putin Slams "DANGEORUS George Soros" For Driving United States towards Civil War."

***Summary:** Vladimir Putin has warned the United States that George Soros is driving the country towards civil war, using divisive politics, violence and media propaganda to further his goals.*

Speaking at a cabinet meeting in the Kremlin, President Putin told senior advisors that George Soros is using his vast network of agitators to target America's most sensitive points and cause turmoil.

"Make no mistake, his endgame is revolution through civil war. In America he is using exactly the same tactics he uses everywhere. "

"George Soros is a well-known pyromaniac with matches in his back pocket pouring petrol onto a bonfire."

Putin also had a message for Americans. They must reject George Soros and his dangerous influence or else they run the risk of losing the country to globalist interests.
