ACLJ PETITION: Investigate James Comey

9/7/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

Jay Sekulow, ACLJ Chief Counsel sends this [petition to investigate James Comey](#):

This level of lies and lawlessness deserves an investigation.

Fired FBI Director James Comey broke the sacred trust of the American people. But more than that, he broke the law.

[Sign the Petition Now](#)

Fired FBI Director Comey conducted a faux investigation into Hillary Clinton. He prejudged and predetermined the outcome of an FBI criminal investigation long before Clinton and at least 16 other key witnesses were even interviewed.

He made secret deals to destroy evidence, thwarting congressional subpoenas. He rewrote the law to protect Hillary Clinton.

He leaked privileged - potentially classified - information in order to undermine President Trump.

Former President Obama's FBI Director violated the law. He violated his oath of office. It's corruption at the highest level.

The FBI Director is supposed to investigate crimes, not commit them.

We've started our own investigation, preparing key legal demands and FOIA requests over Comey's corruption. Demand truth and accountability with us.
