**FOR IMMEDIATE RELEASE
ACTION ALERT**

MARXIST ROY MOORE Defends the Ten Commandments

9/27/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

On 9/26/2017 Marxist nytimes.com posted an article titled, "Roy Moore Wins Senate G.O.P. Runoff in Alabama." This is a Wikipedia summary of Judge Roy Moore:

Wikipedia: "Moore was elected to the position of Chief Justice of the Alabama Supreme Court in 2001, but removed from his position in November 2003 by the Alabama Court of the Judiciary for refusing to remove a monument of the Ten Commandments commissioned by him from the Alabama Judicial Building, despite orders to do so by a federal court. Moore sought the Republican nomination for the governorship of Alabama in 2006, but lost to incumbent Bob Riley in the June primary by a nearly 2-to-1 margin. He sought the Republican nomination for the office again in 2010, but placed fourth in the Republican primary."

"Moore was again elected Chief Justice in 2013, but was suspended in May 2016, for directing probate judges to continue to enforce the state's ban on same-sex marriage despite the fact that it had been overturned. Following an unsuccessful appeal, Moore resigned in April 2017, and announced that he would be running for the United States Senate seat which was vacated by Jeff Sessions, upon his confirmation as Attorney General of the United States. He defeated incumbent senator Luther Strange in the September 26 Republican primary."

The [American Resistance Party](http://AmericanResistanceParty.com) is more in favor of Judge Roy Moore than over his Marxist Republican fellow-candidate Luther Strange.

Moore supports his Alabama Constitution more than Strange. Their Preamble states: "We, the people of the State of Alabama, in order to establish justice, insure domestic tranquillity, and secure the blessings of liberty to ourselves and our posterity, invoking the favor and guidance of Almighty God, do ordain and establish the following Constitution and form of government for the State of Alabama..."

Moore, a Marxist Republican at least honors his Constitutional duty to support the Ten Commandments of God.
