**FOR IMMEDIATE RELEASE  
ACTION ALERT**

**DONALD TRUMP ♥  
DACA Swamp Rats Schumer & Pelosi**

**9/15/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

**Americans for Legal Immigration PAC (ALIPAC.us) reports the following:**

*Americans for Legal Immigration PAC is releasing the following statement after President Trump emerged from a private meeting with Democrat leaders Nancy Pelosi and Chuck Schumer who are gloating and announcing they have struck a deal with Trump to pass DACA Dream Act Amnesty for illegal immigrants into law in return for some border security measures that will become meaningless against the power and illegal immigration attraction of Amnesty.*

*"We agreed to enshrine the protections of DACA into law quickly, and to work out a package of border security, excluding the wall, that's acceptable to both sides," Pelosi and Schumer said in a joint statement. (View Source)*

*Recent reports indicate that there is a rapid increase in illegal border crossings now that illegal immigrants and drug smugglers hear new promises of Amnesty for illegals coming from the White House and that most of Trump's talk about building a wall and securing the borders were merely campaign tactics. The White House is now claiming that Trump has always supported immigration reform Amnesty, a point that was missed by the millions of Republicans that voted for Trump's promise of only immigration enforcement in his first few years in office which he specifically stated on the campaign trail. (Source)*

*"It's official that Trump conned GOP voters like me and millions of others into believing he would enforce our existing immigration laws instead of undermining them further with DACA Dream Act Amnesty for illegal aliens," said William Gheen, President of ALIPAC which launched strategies that defeated the Dream Act*

*Amnesty legislation of 2010. "Trump is worse than Obama and Hillary Clinton because at least those Democrats have been honest about their support for Amnesty. Trump's Amnesty comes at the price of him lying to America about his immigration stances and lying each time he claims to put the interest of America or Americans first! Trump has just become the Mexico first President who is not really a Constitutionalist; he just played one on TV!"*

*ALIPAC will be launching a new round of calls to Congress to oppose Amnesty for illegal immigrants who could set off a chain of events that make Republicans, conservatives, Christians, and non-socialist American permanently obsolete in US elections and governance once millions of illegal aliens gain voting rights once Congress lifts the current penalties of law from illegals.*

*For more information about ALIPAC's opinion of Donald Trump's con artist job on the Republican base voters which signals the end of the Make America Great Again (MAGA) movement, please visit [www.ALIPAC.us](http://www.ALIPAC.us)*

**Ann Coulter Reacts to the Pelosi-Schumer DACA Deal on the [Joyce Kaufman Show](#) (9/14/2017)**

**The [American Resistance Party](#) stands with ALIPAC and objects to Trump flip-flopping on the immigration reforms that he promised. The Trump immigration swamp-trickery is unpardonable. Trump promised “the art of the deal” but instead, Trump has given away the Marxist cesspool to the swamp-rats Schumer and Pelosi.**
