**FOR IMMEDIATE RELEASE
ACTION ALERT**

IRAN CONTINUES 2010 Declaration of War Against US

9/25/17 – **EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

Jack Davis's article in westernjournalism.com that was titled, "Iran Responds To Trump's UN Speech By Testing Missile That Can Hit Israel" started with:

Iran boasted Saturday that it had tested a new medium-range missile that could reach much of the Middle East, including Israel.

The test was a gesture of defiance after President Donald Trump signed a law last month imposing mandatory penalties on anyone involved in or connected to Iran's ballistic missile program. Trump also blasted Iran at the United Nations on Tuesday, calling its government a "murderous regime."

Iranian state TV carried video of the Friday launch of the Khorramshahr missile and in-flight footage from the missile itself. The missile reportedly has a range of 1,250 miles and can carry multiple warheads.

Fox News reported Hassan Rouhani the present President of Iran has continued the declaration of war that former Iranian President had signed-off on (and carried out). Missiles are still being fired over foreign borders:
