**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **NFL FOOTBALL PLAYERS Refuse to Support Constitution**

**10/12/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

**On Oct 10, 2017 [washingtontimes.com](http://www.washingtontimes.com) posted an article titled "Trump threatens to kill tax breaks for NFL stadiums; Goodell tells teams to stand for anthem." The article started with:**

*"President Trump escalated his battle with pro football players protesting the national anthem by urging the government Tuesday to end use of tax-exempt municipal bonds used to build or renovate National Football League stadiums.*

*Hours later, the NFL appeared to acquiesce. Commissioner Roger Goodell released a letter saying the league's position is that "everyone should stand."*

*It remains to be seen how the league follows through on that stance, but it suggests the NFL is feeling the heat from a president who has spent the better part of a month blasting the anthem protests and turning the issue into a major dividing line in American society.*

*"Why is the NFL getting massive tax breaks while at the same time disrespecting our Anthem, Flag and Country? Change tax law!" Mr. Trump wrote Tuesday morning on Twitter."*

**The [American Resistance Party](http://www.americanresistanceparty.com) declares that any person, organization, Football team or set of Marxist-NFL schemers that takes a cent of taxpayer money MUST WITHOUT ANY MORAL RESERVATION support the Constitution which is the SUPREME LAW of the land.**

**Most NFL players are DEMOCRATS and their party (who have been in power for half a century) have done little to address any of their concerns regarding blacks. If we have disputes with our government we need to CHANGE THE LAWS by electing people who will address the concerns that we have. If we are unwilling to do so, THEN SHUT UP!**
