**FOR IMMEDIATE RELEASE
ACTION ALERT**

UNITED NATIONS Behind Attacks Upon America

11/01/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

Commonsenseshow.com report:

The United Nations Is Behind Antifa's Planned Attacks Upon America

In Parts one and two of this series on the takeover of the United States, I asserted the following:

The Vegas massacre exemplified the composition of the forces that are being brought to bear against the people of the United States and they are Antifa, MS-13, ISIS, CIA trafficking arm, the FBI “cleaners”, the Deep-State left-overs of the Obama administration, the Clinton Foundation, HSBC Bank, George Soros, CIA/UN black ops and some others to be covered at a later time.

The plan is start a “holy hell” campaign similar to the **Las Vegas massacre and the Northern California fires and force a crisis** in which the United Nations troops, already inside the United States, will be brought out into the open and used as a gun confiscation force.

In Part Three, the level of UN involvement is exposed. It is clear that the operation command and control resides within the administration of the UN in cooperation with Deep State.

The purpose of this unholy alliance is the destruction of the United States.
