**FOR IMMEDIATE RELEASE
ACTION ALERT**

**MIKE VOLIN:
Mike Zullo tells of CIA's BHO Forgery**

12/19/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

Mike Volin's guest on his blogtalkradio.com program was Michael Zullo. Zullo was the former commander and chief investigator of the Cold Case Posse (CCP), a special investigative group created in 2006 in the office of Joseph M. Arpaio, formerly the sheriff in Maricopa County, Mike Zullo has worked on this case since the beginning. Zullo was interviewed Monday night (December 18, 2017).

SUMMARY: CIA breaches Hawaii government computers in Obama birth certificate quest

BOMBHELL: EVIDENCE OF CIA ROLE IN FORGING OBAMA'S BIRTH CERTIFICATE

Former Maricopa County Sheriff Joe Arpaio's investigators had discovered bombshell evidence that the CIA and or other government entities illegally hacked into Hawaii Department of Health records searching for birth records on Barack Obama.

*The electronic surveillance database, provided to Zullo in late 2013 by a then-confidential informant, Dennis Montgomery, working with the sheriff's office was apparently created by the NSA as part of the NSA's illegal and unconstitutional Project Dragnet electronic surveillance of U.S. citizens. Sheriff Arpaio and Chief Investigator Zullo have identified in the database the following breaches of known Hawaii government IP [Internet Protocol] address accessed by known CIA IP addresses that were used in the breaches. **Listen to archived program at:***
