CA DMV CAUGHT IN A GIANT LIE!

I finally got my Driver's License renewed. The scumbags at DMV said that since I had just turned 69 and I answered on their questionnaire that I had high blood pressure, diabetes and arthritis, I would have to submit my HEALTH RECORDS FROM MY DOCTOR (to renew my License). I complied. They demanded I jump through their hoops and go to Sacramento to appear before a DRIVER SAFETY OFFICER. I got ticked off AND READ THE LAW. Sec 13800 of the vehicle code only states if a driver kills someone, had 3 or more accidents in one year, or has been arrested for DUI only then can 13800 kick in... I wrote the DMV saying they had committed a felony by demanding my HEALTH RECORDS without proper legal authority. I demanded my driver's license and an apology... I got the Driver's License but no apology! See:
