Stop the Removal of Historical Monuments**

12/23/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

Stop the Removal of Historical Monuments Based on a False Sense of Racism.

These monuments are a reminder of what our country had to go through to become whole again. Many of these monuments are not only in dedication to the men who served in the Confederacy but they also served in the US army pre-civil war. It is important to save these monuments for future generations to see these monuments and learn about them and the men who gave everything for a several causes. These were brave men, good men and religious men. In addition, these soldiers on both sides are American Veterans, and deserve to be remembered and recognized as such. The

destruction of our History has to stop over the few that claim "racism" as a means to force their will on others!

I urge Mayor Buddy Dyer to do everything in his power to protect these monuments, all military monuments from removal. Please save our history.
