The Rush Limbaugh show also agreed by saying:

"In an impassioned commentary, Rush Limbaugh said he believes the

*Washington establishment - both Democrats and Republicans - **are involved in a "silent coup" against President Trump.**"*

"These people are trying to take this president out," he told his national radio audience after the failure of the Senate to pass a bill to replace ObamaCare."

*"Limbaugh said it's **"abundantly clear that career Republicans" want no part of enacting the Trump agenda, including building a border wall, cutting taxes and getting rid of ObamaCare.**"*

*"He said it comes down to the unwillingness by the **"elite club known as the establishment"** to allow an "outsider" like Trump to do what he promised."*

*"**"No way this establishment was going to permit an outsider to come in and clean house and show how Washington can work and blow their cover,"** said Limbaugh."*
