**FOR IMMEDIATE RELEASE  
ACTION ALERT**

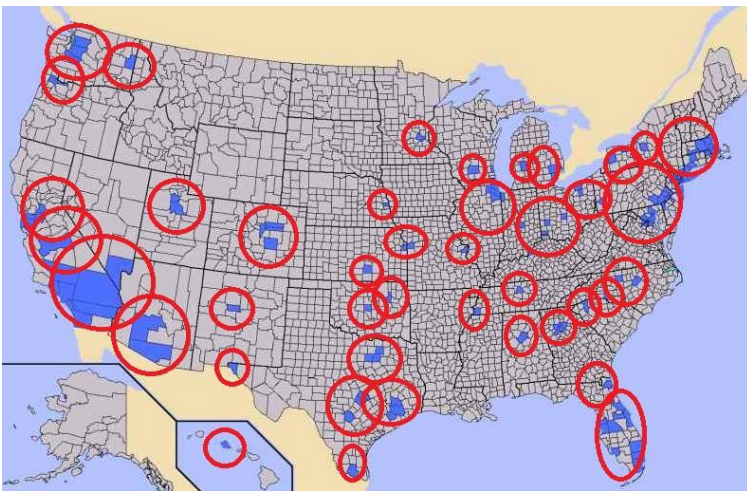

## **STRATEGIC RELOCATION "Three-Month Window"**

**12/28/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

[theguardian.com](http://theguardian.com) posted on 4 Dec '17 an article titled, "Have we got **just three months** to avert a US attack on North Korea?" One paragraph stated:

*"Last week John Bolton, the former US ambassador to the UN and a notable hawk from the George W Bush era, visited London and the House of Commons. His mission, whether official or not: to relay that CIA chiefs have told Donald Trump that he has a "three-month window" in which to act to halt the North's ICBM programme, after which the North Koreans will have the capability to hit US cities, including Washington, with a nuclear payload."*

The [American Resistance Party](http://AmericanResistanceParty.com) took the map that was posted on [shtfplan.com](http://shtfplan.com)'s webpage (that provided the map below) and circled the areas where people would flood outwards to get food, medicine, water, and etc., ANYWAY THEY COULD!

**N. Korea promises to use an EMP weapon on the U.S. All areas inside the red circles above would be the worst affected. This could happen within 3 MONTHS.**
