**FOR IMMEDIATE RELEASE
ACTION ALERT**

FEAR THE USS GERALD R FORD? Top 5 Reasons

12/18/17 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

Defense Updates published on Jun 6, 2017 a Youtube video titled, “WHY RUSSIA & CHINA SHOULD FEAR USS GERALD R. FORD? TOP 5 DEFINITIVE REASONS.”

SUMMARY: The US Navy accepted delivery of the USS Gerald R. Ford on May 31, 2017.

Ford class super-carriers are being built to replace some of the United States Navy's existing Nimitz-class carriers from 2017.

*The ships of Ford class are expected to be in service with the US Navy till 2065.
The first ship of this class is USS Gerald R. Ford. Like all the Nimitz class carriers, the USS Gerald R. Ford is also build in Newport News Shipbuilding. It costs around \$12.8 billion.*

In this video we will look into the 5 definitive reasons, why Russia and China should fear it!

<https://www.youtube.com/watch?v=W6su6Nb99Yo>

The **American Resistance Party** wants to remind its readers that another carrier, the Nimitz-class carrier USS Ronald Reagan (CVN-76) was said to supposedly being forced to change its name to USS BARACK H OBAMA. Leftist **Snopes.com** claims this is not true. The USS Ronald Reagan will keep it name... for now at least!

Will the NEXT SUPER-CARRIER be called the USS DONALD J. TRUMP?
