JUDGE JEANINE PIRRO Back-Peddles on "Birther" Topic

1/15/18 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

Fox Host Jeanine Pirro's interview with Arizona Senate candidate Joe Arpaio turned into a typical left-leaning ridicule on "birthers". Her tip-toeing went like this:

"I don't want to get into it," Arpaio said, "but I know doing a certain investigation on a fake, fraudulent government document. They can't even solve that case. They don't even want to look at it. So either they're incompetent or there's something behind it."

Pirro immediately started to back-peddle (running from the topic), telling Arpaio, 85, "I got to push back on that a little bit. That document, the long-form, was filed. Let's put that way. Let's talk about what happened today in Hawaii. You had some specific thoughts about today."

Arpaio said, "Well, the only thing I'm saying is they can't even solve a phony document. So now they've got a problem. There's something wrong with that government."
