Americans for Legal Immigration PAC (ALIPAC) President William Gheen debunked the fake news report from CBS which claims their poll shows 70% of Americans want DACA Amnesty for illegal immigrants to continue by releasing this short statement:

"That's a ridiculous lie! Most Americans oppose DACA, and we know this because we just elected Trump who campaigned on ending DACA on his first day in office. Furthermore, Americans rose up and defeated the DACA related Dream Act Amnesty legislation in 2010 and Comprehensive Immigration Reform Amnesty in 2006 and 2007 with national polls showing 2 to 1 opposition. CBS is a pro-Amnesty corporation that has paid for a poll to say what they want people to believe politically. Their credibility is down the drain. We elected Trump to end DACA, not make it permanent by passing the very Amnesty bills Americans that represent his base defeated."

ALIPAC has a large collection of scientific and certified polls from non-biased sources which show large majorities of Americans oppose illegal immigration and Amnesty. (View)
