**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **STATE OF NEW CALIFORNIA Sovereign or Incorporated?**

1/19/18 – **EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

**FROM: Dan Mahnke**

**We The People, California Sheriffs, Michigan Assembly, and New California,**

**State of New California, Sovereign or Incorporated?**

**San Bernardino County Board of Supervisors you better wake up, along with all the California Sheriffs involved that has People put you into the pot of 'State of New California,' as I am speaking up as a so-called resident of your County/Corporation.**

**Some People can have enough information that brings out that you cannot be a Sovereign US Citizen or to continue to have a Birth Certificate owned by a NEW corporation for which owed no Debt in the first place, yet they must continue to pay the Debts of presently Insolvent corporations, as according to Law Enforcement and the BAR Association you are under contract.**

**This can help the People to really establish the Republic for California or be a ploy for actions to be taken as what happened with THE UNITED STATES OF AMERICA, INC. changing to UNITED STATES, INC. and then after October 2015 to USA, INC. each time to remove that government corporation bankruptcy, and now them being insolvent, as they just changed the names, for which the STATE OF CALIFORNIA, INC. will approve, with its Democratic legislature and the BAR Association backing, to the transfer of names to remove the Debt for those government corporations, yet will not allow on that Clearing of Debt to the People, so for the People basically getting the funds taken out of the Counties and State from the Comprehensive Annual Financial Report (CAFR) and clean them up then California should be better, if the Truth were known.**

If the State of New California is ignorant of the BOE A.B.A. LIEN of \$279,000,000,000,000 filed for the BAR, link below, then you are being informed now for which NO Property CAN BE SOLD without Proper Authorization without this LIEN being complied with, and thus ALL Debts of those Birth Certificates and/or Certificates of Live Birth must be Cleared and ALL Assets per the Treasury Direct Accounts cannot be obtained by any new party without the 'person' stated on that document has been informed, or thus it is more Fraud, Money Laundering, and even Human Trafficking per the Dec 21, 2017 White House Executive Order, so now President Trump is involved.

Therefore I, Daniel Mahnke, born in Los Angeles County and presently a so-called resident of San Bernardino County Declare that if the State of New California follows through to become a New State then that corporation MUST provide to myself and all others born in these counties and state or presently reside in these counties and states the Proper Authorization of Birth Certificate and/or Certificate of Live Birth and proper Treasury Direct Account access to clear ALL Debts and then being a Living Being which General Dunford has already been informed per my AFFIDAVIT OF THE ACCEPTANCE AS A LIVING BEING, link below.

Thus the Contract provided for any United States Citizen or US Citizen that is to be in this Sovereign/Incorporated State of New California must have the official Notice given to them that they will receive \$1,000,000, One Million dollars, for each year of their life or you just disregard to the crimes of Human Trafficking you are already committing, as you are to obtain those Birth Certificates and/or Certificates of Live Birth Lawfully, yet all banks are to accept the House Joint Resolution 192 of JUNE 5, 1933, link below, personal Promissory Notes from We The People as acceptance.

SACRAMENTO -- With the reading of their own version of a Declaration of Independence, founders of the state of New California took the first steps to what they hope will eventually lead to statehood. CBS Sacramento reports they don't want to leave the United States, just California.

**And so, the founders of the state of New California announced their desire to secede from the state of California as it currently exists. To be clear, they don't want to leave the United States; they just want to leave the state of California and be able to form an independent government.**

**According to the 'founder' of the state of New California, Robert Paul Preston, their reasons are simple.**

*"We, therefore, the Representatives of the Counties of New California, appeal to the California Legislature and the Federal Congress to pass resolutions to create the State of New California."*

=====

**Appeal to these broken & corrupt entities? The Federal Gov has not been constitutionally legal ever since a NON-NATURAL BORN CITIZEN (BHO) was sworn in as the first illegal alien POTUS. I filed a court case demanding this POS prove he was an U.S. citizen. He failed/refused to do so. So we have no one in office that is constitutionally eligible to be there until this matter is resolved!**

**In addition, we have here in CA a POS that refuses to obey the CA State Constitution. Which says, "NO GOVERNOR SHALL SERVE MORE THAN TWO TERMS." Rat poop Jerry Brown is now in his 4th term.**

**And... The State Senate Pro-Tem Kevin De Leon cannot and will not prove he is a US Citizen. He can show no birth certificate of his birth and instead uses a birth certificate of someone with a similar name (Kevin Alexander Leon).**

**And... The Attorney General of the State of California cannot/will not prove that he was born in Sacramento. He is an illegal alien and is allowing the CA borders to be flooded with illegals! And had proclaimed CA to be a "sanctuary state!"**

**It is my counsel to forget APPEALING TO THE CORRUPT & BROKEN GOVERNMENT and just do it!**
