**FOR IMMEDIATE RELEASE
ACTION ALERT**

OBAMA ELECTION MANIPULATION "Bigger Than Watergate"

3/05/18 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

**Mat Staver,
[Liberty Counsel Action](#)**

To All Patriots:

Calling the Obama administration's apparent 2016 election manipulation "bigger than Watergate," President Trump in an early morning tweet accused the former President's administration of deploying government agencies to investigate him in order for Hillary Clinton to win the presidency.

"Why did the Obama Administration start an investigation into the Trump Campaign (with zero proof of wrongdoing) long before the Election in November? Wanted to discredit so Crooked H [Hillary] would win. Unprecedented. Bigger than Watergate! Plus, Obama did NOTHING about Russian meddling."

Last week, thirteen House Republicans sent a letter to Attorney General Jeff Sessions requesting that he appoint a Special Counsel to investigate the Clinton-FBI-Obama-DNC collusion and potential FISA Court abuses.

Among the signers of the letter was Rep. Matt Gaetz (R-FL) who today told FoxNews,

"I am certain that there were senior officials at the Department of Justice and the FBI that steered Hillary Clinton away from trouble. And some of those very people ended up valeting dirt about President Trump from the DNC and the Clinton campaign, and even Russians, into the intelligence process..."

I think it's very important that... we appoint a second Special Counsel so that we have real accountability on these crimes that were committed against President Trump and his team."

The [Liberty Counsel Action team](#) knows that we have just begun to scratch the surface of the depth of the Obama/Clinton Deep State corruption. The weaponizing of government agencies under President Obama against his political and ideological adversaries are among the most insidious and poisonous actions ever taken by the U.S. government against the American people.
