**FOR IMMEDIATE RELEASE
ACTION ALERT**

REPUBLICANS BOW DOWN Before Chuck Schumer's Party

3/24/18 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

Ken Falkenstein shared on Facebook the following...

"So, a Congress with Republican majorities in both houses sent to a Republican president a mammoth spending bill that imposes on our kids yet another trillion dollars of debt in order to give the Democrats virtually everything they wanted and almost nothing the Republicans said they wanted, and the Republican president signed it into law.

Spending Bill Proves The Democrats Already Control Congress

"And none of them stopped for even a second to consider the grotesque immorality of continuing to steal trillions of dollars from our kids so we can live large today. I mean, it's not like today's Congress and president are answerable to the people who will have to pay off this horrendous debt in the future.

"Ain't unaccountability grand?"

The American Resistance Party chides both the Democrat and Republican Party. The comments

of the author of the above article. He said, *"I was a Republican activist for nearly 30 years before finally recognizing last year that the party no longer represented my conservative values and principles and had left me.*

After promising for a decade to repeal Obamacare, the Republicans refused to do so when they controlled every lever of government. After promising to defund Planned Parenthood and build a border wall and end massive budget deficits, they refused to do any of those things once they had the chance.

The Republican and Democratic parties are clearly "enemies to the constitution!"
