LIBERTY COUNSEL ACTION: Soros funded dossier on Trump

3/14/18 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

**Mat Staver,
Liberty Counsel Action
3/13/2018**

Dear Patriot,

According to a Russian billionaire, "George Soros, a major financier of liberal causes, is funding Fusion GPS, the firm that orchestrated the Christopher Steele dossier," as reported by the *Washington Times*.

The Steele dossier was used by Barack Obama's Department of Justice to obtain a FISA warrant to conduct surveillance into Trump's alleged collusion with Russia.

And the level of corruption goes even deeper, according to the *Times*:

"The Soros connection was asserted by Oleg Deripaska, a Russian aluminum magnate whose name pops up from time to time in the Trump-Russia collusion investigation.

Fox News acquired secret text messages between Sen. Mark Warner, Virginia Democrat and Senate Select Committee on Intelligence vice chairman, and Washington attorney Adam Waldman. Mr. Waldman represents Mr. Deripaska.

[Senator] Warner used Mr. Waldman as a go-between to reach Mr. Steele, a former British spy to whom the committee wants to speak. The back-and-forth from Warner to Waldman to Steele did not appear to be productive."

It's certainly not a stretch to believe that ultra-Liberal Billionaire George Soros joined forces with the Democratic Party and Hillary Clinton campaign to fund the Steele Dossier used to launch the investigation into alleged Trump-Russia collusion. **Soros recently pledged \$18 billion to advance the work of liberal groups and causes.**
