**JOHN PAUL STEVENS:
'Enemy of the Constitution'**

3/28/18 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

washingtontimes.com on March 27, 2018 posted an article online titled, "**Retired justice urges repeal of Second Amendment.**" This referred to retired Supreme Court Justice John Paul Stevens's (a RINO) (Republican In Name Ony) following statement:

"They should demand a repeal of the Second Amendment," he wrote.

The [American Resistance Party](http://www.americanresistanceparty.org) declares the following:

Stevens does not seem to understand nor desires to follow the US Constitution. He claims it is possible to "repeal the 2nd Amendment!" He seems to imply that the 1st ten amendments are NOT "inalienable rights." He implies it is NOT Supreme Law.

NOTE: Our inalienable rights come from our Creator. These "rights" cannot be taken away by any man. And if any "government" does try to take away these rights the Declaration of Independence mandates: *"We hold these truths to be self-evident, that all men are created equal, that they are **endowed by their Creator with certain unalienable rights**, that among these are life, liberty and the pursuit of happiness. That to secure these rights, governments are instituted among men, deriving their just powers from the consent of the governed. That whenever any form of government becomes destructive to these ends, it is the right of the people to alter or to abolish it, and to institute new government..."*

It's good that Stevens is out of public office. He is an enemy to the Constitution!
