AMERICAN RESISTANCE PARTY: HR 4760 Legalizes Anchor Baby Wannabes

04/05/18 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

**To Jim Robb
jimrobb@numbersusa.com**

I have read your email which had glowing comments on [HR 4760](#). I have read the gibberish found in this proposed in this bill. I am not a bit impressed with what I have read! Have you really read the text of this piece of Progressive garbage?

Here is my summary and I only used three quotes from the bill:

#1

(e) Creation of Nonimmigrant Classification for Alien Parents of Adult United States Citizens.--

#2

“(W) Subject to section 214(s), an alien who is a parent of a citizen of the United States, if the citizen--

“(i) is at least 21 years of age; and

“(ii) has never received contingent nonimmigrant status under division D of the Securing America's Future Act.”.

#3

“(3) Regardless of the resources of a nonimmigrant described in section 101(a)(15)(W), the United States citizen son or daughter who sponsored the nonimmigrant parent shall be

responsible for the nonimmigrant's support while the nonimmigrant resides in the United States.

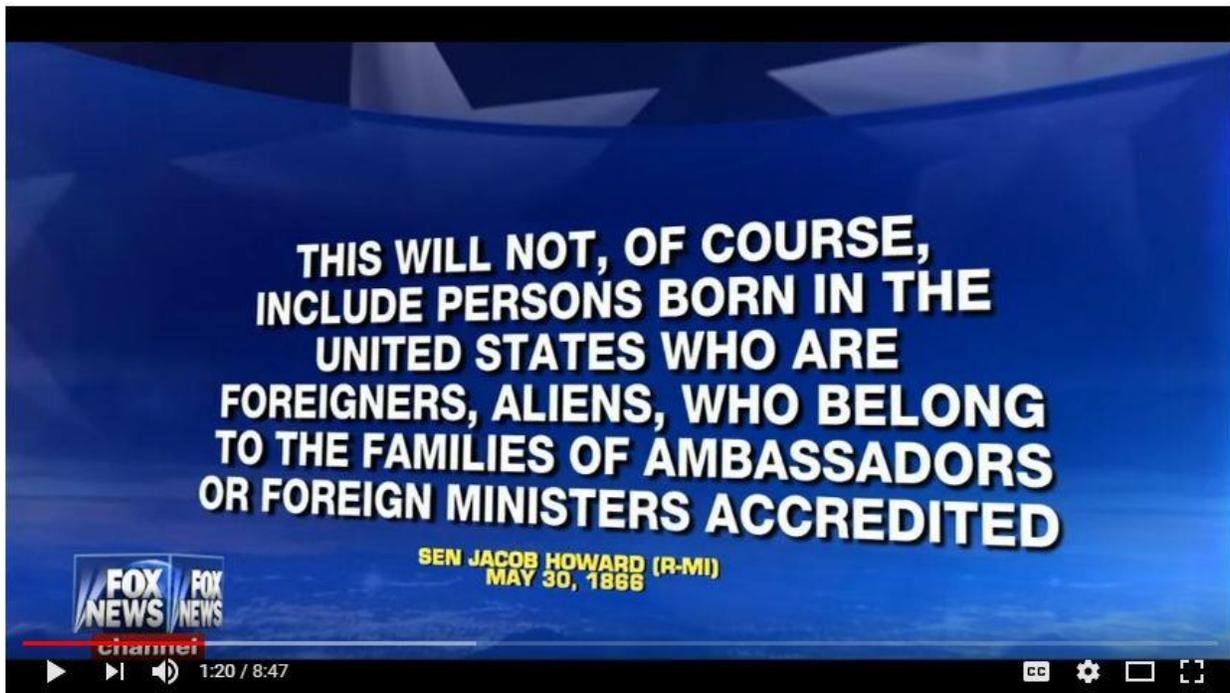

Basically HR 4760 wants to lock down the "birthright citizen" theory. I hope you know that the 14th Amendment DOES NOT ALLOW ANY SUCH THING! So there is no constitutional authorization for decreeing an illegal alien who is BORN in the USA automatically making them a birthright citizen.

The congress first decided that if ONE PARENT was a US Citizen before the birth of the child, then citizen passed on to the child. But this business of magically gaining citizenship without either parent being a citizen is totally unconstitutional.

I would urge you re-read this horrible piece of proposed legislation. It sucks!

On August 19th, 2015 [Sean Hannity](#) and constitutional scholar Mark Levin disabuses the common notion that children of illegal immigrants are conferred U.S. citizenship by the 14th Amendment of the U.S. constitution. Levin meticulously reviews the history and language of the amendment to demonstrate that only an Act of Congress can grant citizenship to "**anchor babies**". See interview below:
