**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **COMMUNIST DEBBIE DINGELL 'Allowing Firearm Confiscation Orders'**

**4/17/18 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

**[breitbart.com](http://www.breitbart.com) on April 2, 2018 posted a news report title, "[Rep. Debbie Dingell to Introduce Gun Confiscation Legislation.](#)" They state:**

*"Rep. Debbie Dingell (D-MI) used an April 2 Fox News Live appearance to announce that she is preparing to introduce legislation to create a federal law allowing firearm confiscation orders.*

*Such laws, generally referred to as Extreme Risk Protection Orders, are already in place in California, Indiana, Oregon, and other states, and Dingell believes the ability to seize firearms is crucial for public safety."*

See article at: <http://www.breitbart.com/big-government/2018/04/02/rep-debbie-dingell-introduce-gun-confiscation-legislation/>

The [American Resistance Party](#) states that Ms. Debbie Dingell is a Communist collaborator. She is furthering the long stated goal of Communist Gun Control which will allow the Marxist New World Order taking over the United States.

A long established goal of the Communist party is to enacted laws and take power to force gun registration so they could then confiscate the weapons, rendering all political opponents helpless, defenseless, and later, dead.

Ms Dingell is merely following in her Communist husband John Dingell's footsteps. He had **declared**, "It takes a long time to do the necessary administrative steps that have to be taken to put the legislation together to control the people." Rep. Dingell has held his seat in Michigan for over 55 years. That is certainly a long time before he finally achieved his goals to "control the people."
