Does anyone see a pattern here?

Our soap opera government-citizenry investigates-to-death: Fast and Furious, Benghazi massacre and cover-up, \$150B Iran Steal Deal, IRS Targeting, Comey Capers and so many other nationally syndicated crimes...for what purpose?

As apparently planned by our ruling government-citizenry, everyone gets a get-out-of-jail card, gets their pensions, and the private-citizenry just accepts the "ventertainment value" of crime after crime vigorously investigated-to-death on tunnel vision television.

Everyone gets to vent and go home; no errant government-citizen is held accountable to the endless parade of staged truth-without-consequences events in Washington, DeCeit. Can we all agree that this planned investigate-to-death pattern is actually just tax-paid-for Cartoon Justice entertainment staged by legions of state-licensed attorney-criminals?

To ensure that we Knowledge Patriots do not investigate-to-death the usurpation of The Pelosi-Soros' Soetoros (Barry and Michelle) 08-28-08-TODAY, I propose that The Post and Email collect 100 individual 10-minute uniform-format video-messages, as submitted from 2

leading Knowledge Patriots from each of the 50 states (Zullo-AZ, Fredrick-FL, Taitz-CA, Rondeau-CT, Kerchner-PA et al).

Those valuable videos would be archived at the P&E (and at the Library of Congress for 100 years of reference?) for the world to witness via fingertip access. They are also forwarded to President Trump to ask that he subpoena Barry Soetoro for publicly televised trials conducted by private-citizen attorneys (Atty. Taitz, Atty. Puzzo, Atty. Klayman et al). Per existing prescribed law, Barry Soetoro-Obama II would be sentenced and punished accordingly; his entire legacy of lunacy possibly rendered NULL AND VOID.

If we private-citizen Knowledge Patriots cannot, or will not, assemble together to prosecute Barry Soetoro, then we are nothing more than an on-going national pastime, a hobby, a disintegrated armchair army, and a Mueller fantasy collusion investigation-imitation, are we not?

KNOWLEDGE PATRIOTS UNITE! STOP the fail time>< START the jail time!

Gabe,

With your video-messaging skills, could you help 100 private-citizens assemble 10 minute uniform-format videos to be sent to The Post and Email and President Trump?

Thanks,

Jon
