**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## TRUMP BLAMED For Obama Admin Photo... (by lying liberals)

5/29/18 – **EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

### Trump blamed for Obama admin photo... (by lying liberals)

The collage consists of several tweets:

- Hadas Gold (@Hadas\_Gold)**: "First Photos of separated migrant children at holding facility" with a photo of children in cages. Deleted a previous tweet from 2014.
- Jake Silverstein (@jakesilverstein)**: Correction regarding a link from 2014, stating the current situation is different.
- Antonio Villaraigosa (@antonio4ca)**: "Speechless. This is not who we are as a nation." with the same photo of children.
- Jon Favreau (@jonfavs)**: "Look at these pictures. This is happening right now, and the only debate that matters is how we force our government to get these kids back to their families as fast as humanly possible: [azc.cc/iimLTbb](http://azc.cc/iimLTbb) via @azcentral"
- Stephen Miller (@redsteeze)**: "Hello @antonio4ca Why did you delete this tweet? Is it because this was 2014 and you are no longer outraged because who this all happened under? Are you no longer speechless? Help explain, thanks."
- Linda Sarsour (@hsarsour)**: "Take a look at these photos. #WhereAreOurChildren" with the photo of children.
- Caleb Hull (@CalebJHull)**: "I don't know what's worse... Obama's speech writer self-owning himself by sharing an article dating back to 2014 under Obama or him deleting his tweet showing that he doesn't actually care about the kids and just wanted to dunk on Trump"
- James Hasson (@JamesHasson20)**: "That a lot of journalists did not recognize those pictures from the unaccompanied minors surge in 2014 and shared the story assuming it depicted a new practice under Trump seems like pretty clear evidence that they didn't do their jobs during the Obama years"
