Press release: Chair of Intelligence Committee of Congress is very interested in investigating Rod Rosenstein's collusion in cover up of Obama's use of a stolen CT Social Security number

On Sunday June 3rd Attorney Orly Taitz, President of Defend Our Freedoms Foundation, got to talk to the Chair of the House Intelligence Committee, Congressman Devin Nunes (R-CA).

Taitz advised Nunes about her work and FOIA legal action filed in the US District Court of MD in relation to Obama using a CT Social Security number xxx-xx-4425, which was traced to Harrison J. Bounel. Taitz found this number when Obama posted his 2009 tax returns on WhiteHouse.gov and originally did not properly redact the number. Taitz advised Nunes that Obama was never a resident of Connecticut and there is no legitimate reason for him to have a CT Social Security number, he should have had a Social Security number from Hawaii. The first three digits of the number signified the state where the applicant resided, until Obama randomized them in 2011. Obama's SSN starts with 042, which is assigned to Connecticut, not Hawaii.

Taitz stated to Nunes that the left claims that Michael Cohen was a fixer for Trump, but it appears that Rod Rosenstein was a fixer for Obama. Rosenstein was the US attorney for Maryland, where the Social Security administration is located and where the Freedom of Information case against them had to be filed. Rosenstein's name is on the pleadings. Taitz stated that the first assistant US Attorney on the case failed to have it dismissed, so Rosenstein replaced him with another assistant attorney, and they did not deny that Obama is using a Connecticut Social Security number assigned to someone else, a resident of Connecticut, but that the application for those records can no longer be found in the computer database and they have no duty to produce the original paper document. The judge, Obama appointee, agreed. Interestingly enough, Rosenstein did not demand then to appoint a special prosecutor to investigate why evidence shows that the US President is using a Social Security number from a state where he never resided as well as his other IDs which appear to be fraudulent. Taitz asked Nunes if he, as a Chair of the Intelligence committee, would be willing to investigate what appears to be Rod J. Rosenstein's collusion in the cover up of Obama's use of a stolen CT Social Security number. Nunes stated that he will be VERY interested to investigate the matter.

Taitz will provide an update on this matter when it becomes available. Taitz is asking the members of the public to forward to all members of Intelligence, Judiciary and Government Oversight committees as well as members of the media, particularly Sean Hannity, Tucker Carlson, Laura Ingraham, all the information listed below. This matter needs to be brought to the committee hearing ASAP. If Rod Rosenstein is complicit in this cover up, he should resign or be removed from the position of Deputy AG.

Orly Taitz is the president of Defend Our Freedoms Foundation, which is dedicated to preservation of the constitutional rights of the US citizens.
