COMRADE FEINSTEIN - 26 Years of Marxism & Crime

06/19/18 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

A YouTube video was published on Jun 10, 2018 titled, "Feinstein Admits She Ignored Immigration Issues Under Obama But Now Criticizes Trump For Them." On CNN, Democratic Senator Dianne Feinstein admits that she ignored immigration issues under Resident Obama but now she criticizes Trump for following the same policies. See video at: https://www.youtube.com/watch?time_continue=80&v=zrI_XdkONLY

FACTS: Feinstein has been entrenched in the US Senate office for 26 years! She had been voted in by the low-intelligence Marxist voters of California 5 times. Here is my photo-history of her tenure as a leading Marxist from California...

The [American Resistance Party](#) proclaims Marxist Dianne Feinstein has done nothing to promote constitutional principals in the State of California or the United States. In addition, we charge her with war profiteering, racketeering, use of the tool of government to make big money for her husband, and she wants to strip every American of their Second Amendment right to keep and bear arms. She needs to be arrested!
