The Clintons and Soros Launch America's Purple Revolution

<https://www.strategic-culture.org/news/2016/11/11/clintons-and-soros-launch-america-purple-revolution.html>

“Defeated Democratic presidential candidate Hillary Rodham Clinton is not about to «go quietly into that good night». On the morning after her surprising and unanticipated defeat at the hands of Republican Party upstart Donald Trump, Mrs. Clinton and her husband, former President Bill Clinton, entered the ball room of the art-deco New Yorker midtown Manhattan and were both adorned in purple attire. The press immediately noticed the color and asked what it represented. Clinton spokespeople claimed it was to represent the coming together of Democratic «Blue America» and Republican «Red America» into a united purple blend. This statement was a complete ruse as is known by citizens of countries targeted in the past by the vile political operations of international hedge fund tycoon George Soros.”

[Infowars](#) says: “Soros, a socialist billionaire best known for breaking the British pound in 1992, has funded government overthrows, known as color revolutions, in Ukraine, Georgia, Kyrgyzstan and other countries in the former Soviet bloc, the Middle East and North Africa.

And now he’s trying to do the same using far-left radicals in the U.S., if Hillary’s recent penchant for the color purple is any indication.

But why purple? It’s the color resulting from mixing red and blue – and Clinton and others pushing the upcoming “purple revolution” will likely justify it as the “unification” of the divided red and blue states of America.

“Anytime globalist politicians embrace a color, be on guard for a revolution bearing that particular hue,” reported D.C. journalist Wayne Madsen. “On the day after the election that propelled Donald Trump into the White House, Hillary and Bill Clinton entered the ballroom of the ‘Moonie’ Unification Church-owned New Yorker hotel in midtown Manhattan adorned in the color purple.”

The [American Resistance Party](#) asks you to [Sign the petition](#) below! It partly asks to urge the *de facto* President Donald Trump to arrest George Soros for his PURPLE REVOLUTION:

“..We are asking you to issue a warrant for his arrest for hiring people for willful intent to riot and protest injuring our people and damaging our properties. We ask to close the Move On Org for their known association and funding by George Soros. For participating in the hiring and planning of riots and protest by George Soros direction...”
