**FOR IMMEDIATE RELEASE
ACTION ALERT**

**HIGHEST NUMBER OF LGBT CANDIDATES:
'Unconstitutional!'**

08/11/18 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

shoebat.org posted an article on August 9, 2018 titled, "Pink Wave Expected This November As Highest Number Of LGBT Candidates Running For Office Yet Are On The Ballot" It was written by Andrew Bieszad. He states:

"A record number of openly lesbian, gay, bisexual and transgender people are standing in elections for public office in the United States, a nonprofit group that supports them said Tuesday."

"The Victory Institute said gay and transgender people were still underrepresented in political life, but it was aware of more than 400 LGBT candidates so far in 2018 — a higher number than ever before."

The [article](#) also states:

"Earlier this year, the Victory Institute said 0.1 percent of all elected public officials currently serving — or 559 — were openly LGBT."

"It said an estimated 5 percent of U.S. citizens identified as LGBT, though a recent major poll suggested the figure could exceed 20 percent among young adults."

"The majority of the LGBT candidates coming forward are Democrats, and many are standing in November's midterm elections."

"They are running for positions ranging from state governor to local government officials."

The [American Resistance Party](#) declares that LGBT candidates are unconstitutional. All State constitutions state (in some form):

CALIFORNIA CONSTITUTION - PREAMBLE - "We, the People of the State of California, [grateful to Almighty God](#) for our freedom, in order to secure and perpetuate its blessings, do establish this Constitution."

Our forefathers insisted that all candidates must comply with actions approved by "the Almighty God" or which are authorized within the scriptures found inside our 2000 year old Biblical text.
