McNAUGHTON'S PAINTING: 'Lost in the Swamp'

08/02/18 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

Fox News posted the new Jon McNaughton painting titled "Crossing the Swamp". The painting identifies: Trump at the helm, and Vice President Pence carrying the flag by his side. The rest are identified as: U.S. Ambassador to the U.N. Nikki Haley; Defense Secretary Jim Mattis; Housing and Urban Development Secretary Ben Carson; Attorney General Jeff Sessions; first lady Melania Trump; Secretary of State Pompeo; White House Press Secretary Sarah Sanders; the president's daughter Ivanka Trump; National Security Adviser Bolton; Kellyanne Conway; and Chief of Staff John Kelly.

The [American Resistance Party](#) (not affiliated with the Republican Party) is amused at this painting. We see the folly of this picture. The characters INSIDE the boat may be good patriots... However, it is the boat itself that is the challenge... IT IS A REPUBLICAN BOAT! It is the boat that has helped caused the cesspool SWAMP in the first place.

This leaky-sinking boat is the one that allowed a NON-NATURAL BORN CITIZEN named Chester Arthur (1881) to become and remain an unconstitutional POTUS. It also allowed Marxist Barry Soetoro to become our [first illegal alien](#), [homosexual](#), [drug snorting POTUS](#). It is the same boat (aka party) that has [approved Socialist programs](#) like Social Security, food stamps and free hand outs to illegal aliens, etc.

And if Trump and his minions really want to clean up the swamp, they should be closer to the [Federal Reserve](#) Building where the swamp really begins. Until then, they'll stay **LOST IN THE SWAMP which should be real title of the painting! (P.S. We like the painting)**
