**FOR IMMEDIATE RELEASE
ACTION ALERT**

SAN FRANCISCO - 'Potty-Paradise Sanctuary'

08/24/18 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

sfchronicle.com posted an article on Aug. 14, 2018 titled, "It's no laughing matter — SF forming Poop Patrol to keep sidewalks clean." They report:

"In a city where filthy sidewalks are many residents' No. 1 complaint, City Hall has come up with a new way to deal with No. 2.

It sounds like silly elementary school banter, but it's real. San Francisco is about to launch the Poop Patrol.

In about a month, a team of five Public Works staffers will begin patrolling the alleys around Polk Street and other hot spots in a vehicle equipped with a steam cleaner.

They'll begin their shifts in the afternoon, as the city starts losing its sheen from overnight cleaning. The Poop Patrol's mission? To spot and clean piles of feces before anybody complains about them."

The [SF Chronical](http://sfchronicle.com) also reported:

"...But in a city where people called 311 to report feces a whopping 14,597 times between Jan. 1 and Monday morning, public piles of poop are serious business."

"For the record, that's about 65 calls regarding sidewalk poop every day. And it's 2,427 more calls on the stinky subject than were made in the same time period last year."

The [American Resistance Party](http://americanresistanceparty.com) condemns the entire past and present leadership of the newly created San Francisco cesspool calling them all morons and fools for allowing their city to become such a potty-paradise-sanctuary!
