Is this true!

UPDATE on **Victoria Windsor** and **L. Quarles Harris** and their link to John Brennan the regimes' top CIA INFILTRATOR soon to become OFFICIAL.

By Miki: "Victoria was my closest friend. She was the behind the scenes producer of intel on a number of fronts and way too many to list. She was one of the few that had all the evidence of voting machine fraud. She is mentioned in this list as having the goods on the Dunhams and Ancestry, but that was a drop in the bucket. She had all the proof of BO's eligibility fraud - as much as I have but she is the only person I knew who had the goods on BO's passport breach and the killing of L. Quarles Harris. John Brennan is responsible for Harris' death. Brennan owned the company that had the gov't contract to run the passport office. He put someone (or himself) into the records to purge any information harmful to BO/BS's fake narrative from his record. Brennan muddied the waters by saying McCain and Hillary's records were accessed as well. Brennan is part of BO's communist regime and will now be CIA director because he did such a good job with Benghazi, right? BTW, Victoria (non-drinker) died of liver failure which came on very suddenly. She started vomiting blood, went into the hospital and quickly into a coma and died within a week."

Mama Lois" Anderson, 79, and her 52 year old daughter Zelda White: Two US women aid workers were shot dead in Nairobi in Kenya (2008) were the retired Presbyterian Church missionaries of Pennsylvania (USA), known to thousands of Africans. The suspected killers of the US women, who were travelling in a car with diplomatic license plates, allegedly shot dead by police later. They were well known for their work. There is speculation that they possibly had knowledge of the birth and care for Barack Obama in Kenya and were later murdered to cover the trail. When murdered, the Husband had his full wallet which the thieves/car jacker didn't take, and there was never a connection made to the said attackers the police later shot dead, but blamed for the double homicide/car jacking. Their church was burned in 2008, possibly to destroy any possible birth records there. Then police chief Mohammed Hussein Ali was later removed from office by Obama supported Kenyan strongman Odinga.
