**FOR IMMEDIATE RELEASE
ACTION ALERT**

MILITIA TO STOP CARAVAN 'Bringing Gun & Bulletproof Vests!'

10/27/18 – **EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

apnews.com posted on Oct 26, 2018 an article titled, "Militia offers to help stop caravan raise concern at border." They say:

"The militia members said they plan to bring guns and equipment such as bulletproof vests and lend a hand to the Border Patrol to protect against people unlawfully entering the country.

"They're just laughing in our face," said Shannon McGauley, president of the Texas Minutemen. "It's a free-for-all in America."

McGauley said he already has members at three points of the state's border with Mexico and expects to add 25 to 100 more people in the coming days.

Border watch groups and militias have been patrolling the 2,000-mile (3,200-kilometer) southern boundary off and on for more than a decade. Typically, the groups watch for people illegally crossing into the U.S. When they spot crossers, they contact the Border Patrol."

The [American Resistance Party](#) commends the unorganized militias that have been patrolling the 2000 mile southern border.

On the other hand, the [American Resistance Party](#) rebukes the lying AP News unit that wrote the falsehood found in the report above mentioned. The AP News cannot be trusted.
