**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **PETITIONS TO PUT HILLARY IN JAIL... But Few Signed!**

**10/13/18 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

**The [Washington Times](#) posted on Friday, October 12, 2018 an [article](#) titled, "[Hillary Clinton loses security clearance after server scandal.](#)" They report:**

Hillary Clinton has given up her security clearance in the wake of the scandal over her handling of secret information on her email server, the Senate Judiciary Committee revealed Friday.

Chairman Charles E. Grassley also revealed top Clinton aide Cheryl Mills and four others no longer have clearance.

Mrs. Clinton's clearance expired at the end of August. The others lost their access privileges in September.

The State Department, in a letter to Mr. Grassley, had said Mrs. Clinton and her aides retained clearance in order to conduct research after she left office.

The names of the four additional aides besides Ms. Mills were redacted from the State Department letter that the committee released.
