**FOR IMMEDIATE RELEASE
ACTION ALERT**

**EDWARD C NOONAN:
'Calling State Militias To The Border!'**

10/23/18 – **EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

Edward C. Noonan, **Founder and National Committee Chairman** of the [American Resistance Party](#) is calling for all State Militias to form at the Southern Border.

Current estimates say that there are around 25,000 SOUTH AMERICAN alien invaders in a group that are marching north to invade our US borders. This does not include the 50,000 Honduran, Guatemalan and Mexican thugs now in SEVERAL groups than have formed and have been advancing north over the last week. This means a total of 75,000 will soon be at the southern border and there are only a few dozen border guards there to stop them.

One group of Mexican police were blooded up and overwhelmed this week-end and were unable to stop the 4,000 that had confronted the small police group that were guarding the southern Mexican border.

The [Washington Times](#) is reporting that the Mexican news says the caravans have only grown to 14,000 illegals. This figure is being under estimated!

CBS News lied in one of their articles saying, "**Trump lacks legal authority to send military to U.S.-Mexico border!**" Then they wrote, "He also threatened to mobilize the U.S. military and shut down the southern border to stop those migrants from entering the U.S., reports CBS News correspondent Chip Reid. But that promise won't be possible without first declaring a national emergency and getting a congressional waiver."

Noonan suggested, "All State militias need to act now before these 75,000+ hostiles invade our homeland!"
