'I've Got Nothing In My Brain'**

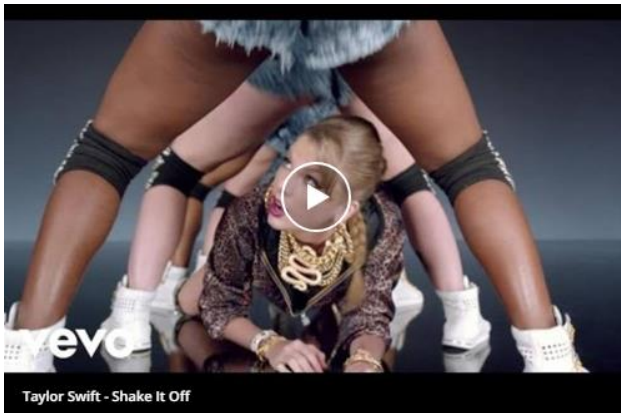

10/12/18 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

www.glamour.com posted a news article on OCTOBER 9, 2018 titled, "Taylor Swift's Political Post Is Having a Massive Effect on Voter Registration." They say:

On Sunday night, October 7, Taylor Swift made a rare political statement on Instagram, endorsing the Democratic nominees for Tennessee's Senate and House of Representatives (Phil Bredesen and Jim Cooper, respectively). Soon after, her post racked up more than 1.7 million likes and started trending on Twitter.

"I always have and always will cast my vote based on which candidate will protect and fight for the human rights I believe we all deserve in this country," she wrote in the caption. "I believe in the fight for LGBTQ rights, and that any form of discrimination based on sexual orientation or gender is WRONG."

Edward C. Noonan, Founder and National Committee Chairman of the [American Resistance Party](#) states the following: "As a Christian (LDS) I am distressed and irritated that Ms. Swift would promote the LGBTQ lifestyle and mindset. I believe LGBTQ behavior is WRONG!"

"I've never heard any of her songs, but I did a google search on her. She says in her song (**Shake it off**) "I've got nothing in my brain..." Link: https://www.youtube.com/watch?v=nfWlot6h_JM **Maybe it's true?"**

"Trump says he now likes Swift 25% less. But after watching the troubling music video (above) I like her (and her music) 100% less!"
