It is clear that the horde of screaming, flag burning, middle finger flipping, invaders that are now breaking down fences DO NOT MET THE ABOVE DEFINITION of Asylum seekers. Instead, the horde is an invading force and want to be part of the already 20,000,000 or 30,000,000 welfare-benefits seeking illegal aliens already here!

Isn't it ironic that large Caravans of people are marching to our border wanting U.S.A. asylum because they are fearful of being in their country - yet they are proudly waving....

 ...their country's flag. Can this be possible? Yes, because it is all a BIG CON, and the American taxpayer is paying for it!

 As a former immigrant but now legal citizen of the USA I can tell you with 100% CERTAINTY no person escaping the horrors of their country marches towards safety while carrying their "abusive" country's flag. And 80% of these are young MEN. This is an INVASION. Wake up America.

 Reminds me of 2016 when I went in and tried to hand them my ID to vote and was openly laughed at by the Spanish speaking assholes behind the desk! When you don't need ID and the people running the polling place are all Hispanic speaking Spanish, it doesnt build confidence!

 All South American countries are beautiful, their government is corrupt, civil wars have broken out. And violent gangs are killing innocent people. A person can love their home and be terrified of it as well.

 My brother hasn't lived in the states since he was 4, he's now 68. Still proud to fly his US flag. 2 of my neighbors fly the Canadian flag. No on complains about that! trump is feeding the frenzy with ignorance.

 You both missed the point. Those that you speak of would never disrespect the

...countries they now live in. The caravan hasn't even reached America and are already burning the colors that men and women in our armed forces have fought and died to protect. Their intentions are clear.

 Look at what this president has done to protect our nation from invaders the entire time being vilified by the propaganda arm of the Democrat party, the media, as they attempt to sway public opinion to the death of themselves and our great nation. Socialists are always leftist.

 We all agree that these people are fleeing for their lives. They hope to come to America because it's safer here. Why is it safer here? It's called law and order. Having laws creates order. PORT OF ENTRY it's the law. Do we want America to look like where they are coming from?
