**FOR IMMEDIATE RELEASE
ACTION ALERT**

RAT-BASTARD NON-CITIZEN JUDGE Recites Gibberish

11/30/18 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

The [Washington Times](#) on November 30, 2018, wrote the following:

“A federal judge in New York has ruled the Trump sanctuary city crackdown illegal Friday — but even went further and also ruled the law Congress passed requiring information-sharing is unconstitutional.

Judge Edgardo Ramos’ decision frees sanctuary jurisdictions in New York, Connecticut, New Jersey, Rhode Island, Washington, Massachusetts and Virginia to continue their policies without fear of losing federal money.

The rat-bastard non-citizen judge was reciting gibberish when he [made a ruling](#) on Trump’s “anti-sanctuary city” crackdown. This scum-talking judge should have been enforcing the proper law:

8 U.S. Code § 1325 - Improper entry by alien - (a) Improper time or place; avoidance of examination or inspection; misrepresentation and concealment of facts

Any alien who (1) enters or attempts to enter the United States at any time or place other than as designated by immigration officers, or (2) eludes examination or inspection by immigration officers, or (3) attempts to enter or obtains entry to the United States by a willfully false or misleading representation or the willful concealment of a material fact, shall, for the first commission of any such offense, be fined under title 18 or imprisoned not more than 6 months, or both, and, for a subsequent commission of any such offense, be fined under title 18, or imprisoned not more than 2 years, or both.

The [American Resistance Party](#) accuses this rat-bastard judge of not being a true US citizen. As a matter of fact, the [American Resistance Party](#) objects to all person from Puerto Rico being considered United States citizens. (On March 2, 1917, the Jones-Shafroth Act was signed, collectively making Puerto Ricans United States citizens without rescinding their Puerto Rican citizenship. Since Puerto Rico is NOT a U.S. Territory, they cannot be considered citizens.) The U.S. Constitution does NOT allow for dual citizenship. (This rat-bastard judge only has bogus citizenship from the U.S.)
