**FOR IMMEDIATE RELEASE
ACTION ALERT**

PUBLIC DEBATE - Allowing Bible Study in School

1/30/19 – **EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

Various news articles have reported recently that Trump is solidly behind allowing the Bible to be taught in public schools. One such [article](#) reports:

“A growing number of states are considering bringing the Bible back to the classroom.

At least six states — Florida, Indiana, Missouri, North Dakota, Virginia, and West Virginia — have introduced legislation this year pushing for public schools to offer Bible literacy classes.

Supporters say learning the basics of the Bible is an important part of American history — and

students should not be denied learning its tenets just because someone might be offended.”

Another quote from the same [news report](#) says:

“Without allowing a Bible into the schools, without allowing a Quran or any other religious text in the school, we look at establishing a religion of secularism in our schools without having anything else,” North Dakota State Rep. Aaron McWilliams said.”

The [American Resistance Party](#) is in favor of allowing Bible Study in school. However, the favoring one denomination over another would be frowned upon. The basic study of the Bible could be done at school and any further embellishment be done at home.
