**FOR IMMEDIATE RELEASE
ACTION ALERT**

**SIGN THE DECLARATION
To End Abortion!**

1/10/19 – **EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

The [HUMAN COALITION](#) writes: Every 25 seconds in America, an innocent human baby loses his or her life to abortion. That's approximately 3,500 babies killed each and every day...all while our society sits idly by.

We humans are endowed with special privileges from our Creator, but we don't have the right to undermine the value of a whole group of people. And we certainly don't have the right to kill them.

Abortion can become unthinkable and unavailable in America.

It's not a far-fetched idea or an unrealistic hope.

[Human Coalition](#) works tirelessly toward that end as we walk with women and men as they choose LIFE for their babies. But we can't do this without you.

The oppressed in this fight for LIFE are silent. As they develop in the womb, they can't speak up to defend themselves. They need our voice to show the world that they are not just "tissue" or a meaningless group of "cells," but real human beings. They need us to speak on their behalf.

Add your name to declare an end to abortion today!
