**FOR IMMEDIATE RELEASE
ACTION ALERT**

PELOSI-IMPEACHMENT ERA Has Been This Month

1/8/19 – **EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

**From the Desk of:
Steve Elliott, Grassfire
Saturday A.M.**

It starts.

The Pelosi-Impeachment era has begun. The Democrats were barely done with their swearing-in ceremonies when they had already filed the first articles of impeachment bill against President Trump. Speaking of swearing, the newly-elected Rashida Tlaib boldly proclaimed to supporters that "we are going to go in and impeach the "mother F#\$%&r,"" and followed that up by doubling down "unapologetically" that she will "always speak truth to power." Meanwhile, Nancy Pelosi was touting that she's equal in power to the President.

My friend, we're in for a battle unlike any we have seen!

Who's going to fight back?

Can we count on the Republican Congress? I'm not sure. It didn't take long for Mitt Romney to begin attacking the President openly and blatantly. Clearly, he is preparing the ground for his own post-impeachment run at the White House. In doing so, he exposed himself as just another member of the Establishment Swamp (of course, we knew that). But can Republicans be counted on to stand up to the newly-empowered anti-Trump mob with their planned political lynching along with the full support of the high-tech Silicon Valley masters of our universe? I think not.

So it will fall to President Trump.

And you.

And me.

And a grassroots army that is willing to stand up and say NO to the Establishment, and NO to the Swamp, and NO to the one-party politics that has pushed America to the brink of cultural collapse.

Let's be clear: President Trump is not perfect. Far from it. In many ways, he is incredibly flawed. But he is the FIRST President to speak truth to the politically correct powers, and to do it EVERY DAY!

But he can't stand alone! The Left is empowered like never before to destroy this president, destroy the Pro America agenda, and push us into what Ronald Reagan called a "thousand years of darkness." That's why we must stand!

Here at Grassfire, we've taken the most significant technological steps in our history to be ready for THIS DAY. We changed EVERYTHING! We have risked it all because we believe this is the most critical time in our lifetimes to stand for liberty. But we must stand together!

Right now, we are gearing up to PUSH BACK against Pelosi's outrageous budget plan that provides ZERO dollars to building the wall while funneling billions to far-Left priorities. But Grassfire needs YOUR financial support to make this happen!

DONATE TO HELP GRASSFIRE FIGHT!

Pelosi knows China is preparing to go to war with the USA. But she keeps refuses to protect our borders and our way of life!

“President Xi Jinping told a meeting of top brass China’s armed forces must strengthen their sense of urgency and do everything they can to prepare for battle. The news comes amidst escalating tensions between China and the US as well as American-backed Taiwan, with disputes between the two superpowers ranging from trade to the status of the island. Mr Jinping told a meeting of the top military authority that China faced increasing risks and challenges, and the armed forces must work to secure its security and development needs, reports the official Xinhua news agency.”
