**1/30/19 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

FOXNEWS.COM

**Dems to strike 'so help you God' from oath taken in front of key House committee, draft shows**

**"They really have become the party of Karl Marx."  
— House Republican Conference Chair Liz Cheney**

*"The proposed change was not the first time Democrats have sought to strike references to God in official party documents. In 2012, the floor of the Democratic National Convention erupted over a sudden move to restore to the platform a reference to God and recognition of Jerusalem as Israel's capital -- after heavy criticism from Republicans for initially omitting them. Democrats, though, were hardly in agreement over the reversal." [FOX NEWS](#)*
