**FOR IMMEDIATE RELEASE  
ACTION ALERT**

## **MARYLAND GUN LAWS To Be Written By State Police**

**03/05/19 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

**On 28 Feb 2019 breitbart.com posted an article titled, "Maryland Sheriff on Gun Confiscation Bill: 'We Will Not Comply'". They state in the article the following:**

"HB 796 does not explicitly require confiscation of firearms from unlicensed owners but it does allow the Department of State Police to create regulations to carry out the law," Breitbart's AWR Hawkins reported.

In other words, the politicians got around having to explicitly write rules for confiscation by leaving it to the state police while at the same time leaving the police no room to refuse confiscation."

**The American Resistance Party stands with this Maryland Sheriff. The Maryland legislature did not have constitutional authority to give the "Department of State Police" the authority to LEGISLATE GUN CONFISCATION LAWS.**

**The citizens of Maryland did not "elect" the State Police to represent them with their state gun laws.**
