## **IRS ENCOURAGES Illegals to Steal SS Numbers**

**03/21/19 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:**

IRS Admits It Encourages Illegals To Steal Social Security Numbers For Taxes

**forbes.com on Apr 13, 2016 printed an article titled, "IRS Admits It Encourages Illegals To Steal Social Security Numbers For Taxes."**

*"What we learned is that ... the IRS continues to process tax returns with false W-2 information and issue refunds as if they were routine tax returns, and say that's not really our job. We also learned the IRS ignores notifications from the Social Security Administration that a name does not match a Social Security number, and you use your own system to determine whether a number is valid."*

*"Commissioner Koskinen was asked to explain this. He suggested that as long as the information is being used only to fraudulently obtain jobs, the IRS was OK with it. In fact, he said that the IRS actually had an interest in helping the illegal immigrants to crook these rules. In fairness, perhaps it's just the 'that's not my department' response that abounds in big government. Perhaps this just isn't the IRS's problem, but it sure seems odd to have any agency chief encouraging illegal immigrant theft of SSNs."*

**Here it is 2019 AND NOTHING HAS BEEN DONE TO CORRECT THIS CRIME! The IRS is still allowing illegals to steal social security numbers. There have been almost ZERO prosecutions for stolen Social Security numbers (felony) by illegal aliens.**
