Bernie Sanders who's running as a full-fledged Communist for president in 2020 is already starting his Presidential candidacy. Here is what he says in a [recent interview](https://www.npr.org/2019/03/18/702708256/bernie-sanders-pledges-to-do-a-better-job-of-explaining-socialism): (See: <https://www.npr.org/2019/03/18/702708256/bernie-sanders-pledges-to-do-a-better-job-of-explaining-socialism>)

"On the socialist label: 'I think what we have to do, and I will be doing it, is to do a better job maybe in explaining what we mean by socialism — democratic socialism. Obviously, my right-wing colleagues here want to paint that as authoritarianism and communism and Venezuela, and that's nonsense.'"

"What I mean by democratic socialism is that I want a vibrant democracy. I find it interesting that people who criticize me are busy actively involved in voter suppression trying to keep people of color or low-income people from voting, because they don't want a vibrant democracy. I do."
