**FOR IMMEDIATE RELEASE
ACTION ALERT**

THE NEVER-ENDING THREAT Of Civil War

04/10/19 – EDWARD C NOONAN, Former 2012 & 2016 Presidential Candidate alert:

americanthinker.com posted on April 6, 2019 an article titled, "The Never-Ending Threat of Civil War." It was written by E.M. Cadwaladr.

The lead paragraph was, "We and the Left are now two nations within one country. This is undeniable. We are now so different that we cannot even agree on what a country is, or on the merits of a country having a border. The number of people who still say, "I just don't care about politics" dwindles. It is still possible to hate both sides — but it is getting hard to be indifferent and still be breathing. How many people can just take or leave infanticide? How many people are entirely flexible about the idea of the government having authority over anything and everything, to experimenting with our fundamental demographics, or to giving up fossil fuels cold turkey?"
