**Planned Parenthood CEO: My Proudest Moment is Forcing
Christians to Pay for Abortion Drugs**

Quote from article “Christian organizations and businesses have had to challenge all the way to the U.S. Supreme Court. As Richards noted, abortion activists used their influence to force religious employers – including nuns – to pay for abortion-causing drugs in employee health plans through HHS.

The Little Sisters of the Poor is the latest group asking the nation’s highest court to ensure they do not have to comply with Obamacare’s abortion mandate. The mandate compels religious groups to pay for birth control and drugs that may cause abortions.”
